This report is an internal document used to assist the student in course planning. Final confirmation of degree requirements is subject to department and university approval. Please contact your advisor for questions regarding your major, minor, concentration or interdisciplinary study requirements. Please contact the Degree Office for questions regarding your University level requirements such as the All-University Core Curriculum.

You are then taken to a page that displays the audits that you have requested. The most recent audit will appear at the top of the list. **If you arrive at this page and do not see the audit that you requested, you need to select the "Refresh the List" option (it is indicated on the previous page that it could take up to 2 minutes for your request to be processed).**

To open the requested audit, select your Major located under the **View Link** column.

The audit will then appear in a new window. Use this color coded Degree Audit to track your progress and to verify which courses are required to complete your Program of Study.
