

## Glossary: Navigate Categories

NOTE: If you see the word “term” in blue in the list below, it means you need to include the specific term you’re searching. That number is year and then a code for the semester:

10- spring semester  
60 – summer semester  
90- fall semester

So, for example, if I wanted to find all students who began attending CSU in Fall 2022, I would use: First Active Term- 202290
